Just setting a bad example for video girls of the world, is a woman named Sally. The short-lived video vixen has called the

relationship between her and 50 Cent more than it actually is, and he's now exposing the female for what she is. Check it out after the jump.

[JaaiR \(JR\)](http://twitter.com/JaaiR_JR) (http://twitter.com/JaaiR_JR)

Reality is, Sally was nothing more than a lead girl in one of 50 Cent's upcoming visuals for *Animal Ambition*, but she just had to take it there. She got ahold of some of the stills during the video shoot and sent them out to the media.

So sad for her since, Fif is making sure that she doesn't work in this town again, AND he's doing a reshoot for the video. Damn girl, didn't Meagan Good teach you anything during the movie, *Video Girl*? Check out the gallery for 50's exposure.

Fraud Alert: 50 Cent Blasts Video Girl For Lies and Dehydration On Twitter

Posted on 3/27/2014 7:28:00 PM by Tat Wza

Everyone knows 50 Cent has a reputation for speaking his mind saying whatever and whenever... regardless if it's warranted. Well.. this time it was very warranted.... and a certain video chick is probably feeling the sting of it, wishing she hadn't played herself.

Video girl by the name of Sally Ferriera was blasted on social media by 50 cent for being a thirst bucket! The Queens rapper roasted the woman for insinuating that they were in "involved", when she was really just hired to be in an upcoming video. Looks like she lost that exposure....

Check out the gallery of photos where 50 Cent 'Black List' the chick

Photos of 50 Cent hanging out with model/actress Sally Ferreira surfaced, sparking rumors that the two are dating. They've known each other for years after Sally appeared in 50's 2010 movie "Gun," which also featured veteran actor Val Kilmer.

Sally posted a photo of her and 50 on her Instagram that she captioned, "Selfie," while also taking another shot of a lit up, chrome wrapped Lamborghini Aventador. The guys over at cafespa.com revealed that the car belongs to Bryan of TeamSalamone, who leaned out the flashy side for one of 50's upcoming video.

So, while all the talk is brewing about the "Candy Shop" rapper sparking up a new romance with a hot model, it's likely that they were just filming a video together. Neither have commented on the rumors as of yet.

Recent photos surfaced online of 50 Cent promoting with co-star Sally Terrence, but the rap star took to Instagram to blast her for leaking photos to the media. The "Animal Ambition" rapper now has to reshoot the video after Sally reportedly leaked images of the video to various media outlets, including MediaTakeOut.

"Big FAIL, super thirsty, new shoot this week coming. Unbelievable scandal #Animal Ambition." 50 captioned the photo of Sally along with more warnings. "WARNING: Do not attempt to work with the thirsty video bitch she sent photos of the video shoot to MediaTakeOut saying 'I'm in a relationship with her. CAN ANYONE SAY RESHOOT'."

Fit took down the Instagram post, but MediaTakeOut was quick on getting a screenshot, which you can view in the above slide along with Sally's subliminal take on the situation.
